

FALL NEARC

OCTOBER 27 - 30, 2024
BURLINGTON, VT

Invitation to Participate

The Host Committee and NEARC Board of Directors invite you to participate as an exhibitor or sponsor at the 2024 Fall NEARC Conference! The event will be held at the Hilton Burlington Lake Champlain in Burlington, VT. We're developing an innovative agenda for practitioners and users of GIS data to get connected, learn from each other, and gather knowledge on the benefits GIS technology has to offer. We hope you'll join us as a valued supporter and be a part of this networking and educational opportunity. Please review the enclosed information and consider these unique branding possibilities for your business. Thank you!

Overview

Formed in 1986, NEARC is an independent, regional organization that represents users of Geographic Information System software in the region of New England and New York. This group of volunteers is dedicated to helping GIS software users become more successful. The NEARC annual conference draws approximately 400 attendees, representing a broad spectrum of industries including urban and regional planners, educators, natural resource and utility professionals and government agencies.
